HUGHES SILENT ON GERMAN ALLIANCE; BULL MOOSERS PLEDGE THEIR SUPPORT

AUSTRIAN ARMY IN FLIGHT; TWO DIVISIONS CAPTURED; RUSSIANS' CLEAN SWEEP

Cossacks Now Overrunning the Territory Back of the Austrian Lines—Big Series of Victories for the Czar's Forces in the Last Week.

LONDON, June 12.—The complete rout of the Austrian armies near Czernovitz was announced here to-day by the Russian Embassy.

Two entire divisions, with all their generals, artillery and ammunition, were captured.

The Russians are in full pursuit, the Cossacks overrunning the territory at the rear of the fleeing armies.

ROME, June 12.—The Italian armies to-day took the offensive against the Austrians all along the Trentino front, making general advances. This movement, it is understood, is to be a powerful attack, timed simultaneously with the Russian offensive and the reported withdrawal of Austrian troops from the Trentino.

PETROGRAD, June 12.—The great offensive of Gen. Brusiloff has been under way one week to-day. In that time he has accomplished these results:

Smashed the Austro-German lines along a 300-mile front to a depth of thirty-two miles; Recaptured the huge fortress towns of Dubno, Lutsk and Rovno—the Volhynian triangle—and pressed on beyond them; Came to within eighty miles of Lemberg, the fortress capital of Galicia;

Reached within thirteen miles of Czernovitz, the fortress capital of Bukovina;

Captured one General, 1,649 commissioned officers, 106,000 soldiers, 124 field and siege guns, 180 machine guns, 58 mine throwers and an amount of war munitions so great the rapidly advancing troops have not had time to send them all in to headquarters.

IMMENSE QUANTITIES OF SUPPLIES BEING CAPTURED.

"Our offensive in Volhynia, Galicia and Bukovina obtained fresh successes yesterday," the official report says. "The enemy armies continue to suffer enormous losses in prisoners alone. The fierce attacks of our troops are throwing into our hands thousands upon thousands of prisoners and booty of all kinds, the exact estimation of which is as yet impossible.

"For instance, in a single sector on the enemy front we captured twenty-one aeroplanes, two convoys, twenty-nine field kitchens, thirty-seven machine gun trains, 13,000 pounds (432,000 pounds) of barbed wire, 1,000 concrete planks, 7,000,000 cubes of concrete, 10,000 pods (180 tons) of coal, enormous depots of ammunition and quantities of arms and other material.

"In another sector we captured 30,000 rifle cartridges, 300 boxes of machine gun cartridges, 200 boxes of hand grenades, 1,000 useable rifles, four machine guns, two range finders and a Norton portable pump for the extraction of drinking water. The capture of such enormous war materials prepared by the enemy for various operations proves how opportune was our blow against the enemy.

"During yesterday's fighting we took prisoner one General, 409 officers and 35,100 soldiers. We also captured thirty guns, thirteen machine guns and five bomb throwers. This makes the total of captures in the recent operations (covering a total of seven days' fighting) of one General, 1,649 officers and more than 106,000 soldiers, with 124 guns, 180 machine guns and fifty-eight bomb throwers.

"Among the various episodes may

GERMANS BEGIN MOVEMENT TO AID HUGHES ELECTION

Appeal Sent Out From Philadelphia for Co-operation by Thirty-Nine States.

INVOLVE 2,000,000 VOTES.

Line Not to Be Drawn as "Hyphens," but as Real American Citizens.

(Special to The Evening World.) PHILADELPHIA, June 12.—Leading Germans of this city to-day sent out an appeal for the bringing together of Germans from thirty-nine States to launch a formal movement for the support of Hughes and the Republican ticket. The German-Americans from these thirty-nine States formed an alliance in Chicago two weeks ago and did much to throw the German delegates to Hughes.

Pleased by their cause being victorious, the Pennsylvania delegation is now desirous that the organization shall remain intact until the end of the campaign in November.

Gustav Mayer, publisher of the German Daily Gazette, declares that 85 per cent. of the German-Americans in the United States, numbering nearly 2,000,000 voters, will support Hughes.

J. B. Mayer, President of the United Singing Societies of Pennsylvania, who was chairman of the big German conference at Chicago, said he is satisfied with the ticket nominated and with the platform. But he insisted he was for the ticket as an American.

"We are all loyal Americans, and not hyphens," he said. "Our forefathers were loyal. We are not pro-German. We are Americans in every sense of the word and we will endorse any man who is thoroughly American."

The German Democrat has announced that following the Democratic National Convention it will throw its power for Hughes. This paper has for many years been with the Democratic Party.

The Philadelphia Tagblatt, although a Socialist paper, announces that it stands flat for Hughes and Fairbanks.

BAR U. S. JUDGES FROM POLITICS, M'COMBS INSISTS

Democratic National Chairman Proposes Law Which Would Have Shut Out Hughes.

PLANK IN PLATFORM.

Only Fight at St. Louis Is Over Nomination of Candidate for Vice President.

By Martin Green. (Special Staff Correspondent of The Evening World.)

ST. LOUIS, June 12.—William F. McCombs, Chairman of the Democratic National Committee, to-day announced that the matter of taking candidates for office from the Federal Bench should be made one of the issues of the present campaign. To this end he will propose the following plank in the Democratic platform:

"A Constitutional Amendment should be introduced and passed by Congress to provide for making our Federal Judges ineligible for any other office under the Federal Government, in order to preserve the integrity of the judiciary."

McCombs explained that this proposition can have no bearing on the nomination of Justice Hughes, since the 1916 election will be long passed before national action can be taken in the matter.

The announcement of the retirement of Chairman McCombs brought about a remarkable demonstration in the National Committee, which gave cheers and a vote of thanks to him. As the committee cheered the delegates in the hotel lobby joined in the demonstration. Replying to the tribute of the committeemen, Chairman McCombs said:

"I cannot say how deeply touched I am by your motion, and I leave you with great regret and will always cherish the memory of the pleasant associations I have had with you."

BOSS MURPHY REPEATS CONVENTION WILL DECIDE.

A persistent rumor that Woodrow Wilson is to be renominated by the Democratic National Convention which is to meet here next Wednesday, pervades these parts. Charles F. Murphy of New York was asked on his arrival last night if he cared to say anything about the report. Mr. Murphy gave the question a deep thought. Then with his customary loquacity he said: "The convention will decide."

This gathering of Democrats already shows more life and animation and "pep" than their Republican brethren manifested in Chicago a week ago. In the first place, St. Louis, although it is normally dry on Sunday, wasn't as stingy as Chicago. On the Sabbath day, June 4, Republican patriots from all over the country were wandering around Chicago with their tongues hanging out, seeking liquid refreshment, and all in vain; but here in St. Louis getting a drink was an easy matter. All a visitor had to do was ask for it, and anything in the line was forthcoming. St. Louis, with true Southern hospitality, welcomes her Democratic visitors and assures their thirst, no matter what the law says.

MARSHALL'S FATE DEPENDS ON TAGGART'S DICTUM.

Owing to the fact that Mr. Wilson, as rumor has it, is to be renominated, it is anticipated that there will not be much hard work for the convention. The rumor goes so far as to declare that Thomas Riley Marshall of Indiana, our well known Vice President, is also to be renominated, although many Democratic Statesmen, particularly Gov. Major of Missouri, are not slow to say that one term is enough for any Vice President.

Mr. Hughes, Nominee for President, On Hotel Astor Roof To-Day

MR. HUGHES ON THE ASTOR ROOF. (SPECIAL PRESS A.P.)

LEADERS CALL ON HUGHES; URGE VIGOROUS CAMPAIGN AGAINST WILSON POLICIES

Republican Nominee for President Opens His Headquarters at the Hotel Astor—Declines to Say Whether He Will See Roosevelt.

OLD HUGHES ALLIANCE BROUGHT BACK TO LIFE

The campaign of Charles E. Hughes for President opened with a bang to-day in New York under the direct leadership of the candidate himself. The Hughes headquarters, established at the Hotel Astor, were crowded with admirers and politicians eager to get into the band wagon. Probably the most significant sign was the number of Progressives who unostentatiously wandered into the Republican fold and pledged support to the candidate. It begins to look as though the former followers of the Colonel are going to align with Mr. Hughes.

HUGHES DECLINED TO BE CONVENTION REPORTER

He Was Offered Job, but Felt Constrained to Stay in Washington.

The New York Evening Post this afternoon published correspondence in which John P. Gavitt, its managing editor, endeavored to employ Justice Hughes to report the national convention. Hughes replied as follows:

"Dear Gavitt—I have received your letter of May 18. I can not tell you how deeply touched I am by your kind offer. At last my secret ambition is laid bare. For many weary years I have longed to be a newspaper correspondent and say a few things. But my talent for up-to-date, virile, philosophical, prophetic, cinematographic correspondence has been unrecognized, and one emergency after another has compelled me to make other arrangements."

"I am now under contract for work, relatively unimportant, which, however, will detain me here during the time the convention is held. I put aside my longing to see a convention; that is very great, but it is as nothing compared to my wish to write one up and to show the best of newspapermen how it may be improved faithfully."

CHARLES E. HUGHES.

At the hotel Mr. Hughes was given a suite of three rooms on the eighth floor, Forty-fifth Street side, and went up to prepare for breakfast. His first caller was Robert Fuller, his secretary while Mr. Hughes was Governor.

After speaking with a score of visitors Mr. Hughes greeted the newspaper men. Some one asked him how it felt to be drafted by fifty million people for the greatest office in the country.

"I can only say that there are certain circumstances under which the matter of duty is extremely clear and leaves no ground for hesitancy," replied Mr. Hughes. "There is no question in this situation as to what I should do. I did it, and in my announcement to the country I endeavored to make my attitude clear."

NOTHING TO SAY ABOUT HITCHCOCK OR ROOSEVELT.

"Will Frank Hitchcock be Chairman of the National Committee?" Mr. Hughes was asked.

"I can't say anything on that just now," replied the candidate, with a smile.

"Will you see Col. Roosevelt?" "I can't say anything on that, either," said Mr. Hughes.

Questioned as to his future plans, the candidate said he would be in consultation with Republican leaders for several days.

"The campaign will be carried on from New York," he said. "I belong in New York and have come back home."

Mr. Hughes said he has met as yet

The supporters of Mr. Hughes are already urging him to make a vigorous campaign that will force President Wilson to take the stump. Hughes leaders declare that their candidate will promote a campaign that will put his opponent on the defensive and compel him to personally enter into the struggle for vindication of his acts during the last four years.

Mr. Hughes wound up the morning with an automobile ride in Central Park. Just before he left the hotel he was asked if he wished to make a statement regarding his endorsement by the German-American Alliance. The candidate went on to say that he saw no reason for adding to the message he sent to the Republican Convention regarding his views.

CARRIES HIS GRIP FROM TRAIN TO FERRYBOAT.

On leaving the train this morning the candidate carried his own grip to the ferryboat. None of the early morning commuters recognized him until a camera squad appeared on the scene.

"The only Americans who have been humiliated," said Ambassador Page, "are the expatriates who live in foreign capitals who hardly know their way back to the United States and who speak with a foreign accent in the chancelleries of Europe. The United States was never so much respected as it is to-day."
